

Important Announcement

CP Electronics is pleased to announce a new partnership with ABC Internet.

ABC Internet is a Vancouver based Internet Provider who has experience with large wireless networks. ABC will be working with CP Electronics to upgrade and improve the service to our customers. With the installation of some new equipment at the CP Electronics Williams Lake offices we can now offer improved packages to our customers.

Our new packages will replace our existing packages with more speed up and down and more gigabytes for your video streaming needs.
